

The image shows a modern, multi-story apartment building with a central courtyard. The building features a mix of light-colored brickwork and vertical wood slat cladding. Each floor has a balcony with a dark metal railing and a planter box filled with green plants. In the courtyard, there are two large, mature trees in circular planters. The ground is paved with light-colored stone tiles. In the foreground, there is a swimming pool with a green and white patterned tile design. Along the poolside, there are four lounge chairs with orange cushions and two small round tables. To the right, there is a small outdoor dining area with a round table and four chairs. The overall atmosphere is serene and modern.
